PROFESSIONAL SUMMARY

Computer Science Engineering student (B.Tech, NIET — commencing August 2026) with a demonstrated commitment to AI, Prompt Engineering, and software development through self-directed learning and structured projects. Completed 60-day hands-on AI mastery challenge, applying AI tools and workflows in a publicly documented GitHub repository. Highly motivated, quick learner with strong problem-solving skills and a growth mindset.

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science Engineering

Noida Institute of Engineering and Technology (NIET), Greater Noida | Commencing August 2026

Senior Secondary Education (Class 11–12) — CBSE

Vidya Mandir Public School, Sector 15A, Faridabad | Completed 2026

Secondary Education (Class 10) — CBSE

Modern Public School, Sector 37, Faridabad

PROJECTS

60-Day Claude AI Mastery Challenge

Self-Directed | 2025–2026

- Completed a structured 60-day AI learning challenge focused on practical AI tool usage, Prompt Engineering, and AI workflow design.
- Documented daily progress, experiments, and key learnings in a public GitHub repository using Git for version control.
- Applied iterative prompting techniques and experimented with AI-powered workflows to solve real-world tasks.

AI Learning Documentation — GitHub Repository

github.com/dishantsharma279-create/60-day-claude-challenge

- Maintained an organized, version-controlled public repository to track and share an end-to-end AI learning journey.
- Demonstrated consistent Git commit discipline, structured documentation, and project management practices.

TECHNICAL SKILLS

AI & Prompt Engineering: AI Tools (Claude, ChatGPT), Prompt Engineering, AI Workflow Design, AI Fundamentals

Developer Tools: Git, GitHub, Version Control, Repository Management

Foundations: Computer Science Fundamentals, Problem Solving, Logical Reasoning

CORE STRENGTHS

Quick Learner • Self-Motivated • Consistent & Disciplined • Growth Mindset • Adaptability • Team Collaboration

LANGUAGES

English (Professional Proficiency) • Hindi (Native)
